We hope this will make your experience of playing Egypt: Old Kingdom better! Enjoy!.. This is not simply a little gem from an indie developer, it is an impressively deep game.. Honestly, we didn't expect it will take so long to fix bugs and make all necessary improvements, but every day is precious and even during the holiday we work to improve the game.

That's right, Egypt: Old Kingdom is now available on App Store and Google Play as well!But back to the PC version, here is what's new:Fixed a critical issue, which upset the power balance of the rebel forces in the 5th trial.. As you probably already realized, the date of release is delayed again We apologize for making you wait even longer.

Fixed the rank of the maximum score (35/35) Fixed the bug when relationships didn't improve if the luxury level was too low;Fixed the bug when the task to build pyramids for the 4th dynasty disappeared after loading of a saved game.. Version 1 0 13 New part of bug fixes:Bug fixes The date of release and the launch of demo version!After this long time of waiting and delays we're finally ready (and very happy too!) announce the final release date! Egypt: Old Kingdom will be released on Steam on May 24th, 2018! Hooray!10 days is quite fast, but we have a way to make them pass even faster ;) Ladies and gents, we present you our new video, which should have become an introduction video at the beginning of the game.. Ancient society simulatorYou will not only deal with the problems of farmers and craftsmen but also make important political decisions, which will define the future of the kingdom.. Win wars and overcome crises, discover new technologies, worship your gods and conquer neighboring tribes! Are you wise enough to help the ancient kings to unify Lower and Upper Egypt, build a stable economy and to erect the Great Pyramids?Based on real historyYou will find yourself in Memphis, 3500-2140 years B.. egypt's old kingdom worksheet answers egypt old kingdom game egypt old kingdom pharaohs.

egypt old kingdom game wiki egypt old kingdom facts egypt old kingdom android.. Version 1 0 12 Bug fixes and balance adjustments:Shortcomings and bug fixes Egypt: Old Kingdom version 2..
[A long string of small, illegible icons or characters follows.]

Players for us are like the strictest judges and teachers, and we're passing our exam tomorrow!But we have a few things up our

sleeve to impress the judges! This time we decided not only release the game but also added two DLCs..
